Welcome and welcome back! Thank you for a great start to the year! This past week has gone very well.

As you can see, we have revised our newsletter and I want to thank Janis Trickey for her work on this. Parents are reminded that your child's classroom teacher is your first, and most important, point of contact each and every year. Teachers will be reaching out to provide you their contact information and communication plan. Parents can contact me at: chris.boston@ucdsb.on.ca

We have lots of plans for the year and are excited about all the learning and fun that lies ahead.
